Death of a person is a turbulent period, both mentally and financially, for the members of the bereaved family. Speedy disposal of claim petitions of deceased depositors would be a solace to the legal heirs/nominee/survivor of the deceased depositor. The Bank shall adopt the policy of efficient and hassle-free handling of claim petitions by branches/DSCs while ensuring that the money of deceased depositor is claimed by the persons who are entitled thereto.

2. Objective

In case of the unfortunate demise of a constituent claim by legal heirs /nominee could be in respect of deposits, safe custody articles, or contents of lockers. Speedy and smooth settlements of claims of the deceased depositors can considerably reduce the hardships to the nominee/legal heirs. This Policy will lay down the norms which will help in speedy settlement of claims of deceased depositors.

3. **Scope**

This policy will handle claims of deceased depositors efficiently, while ensuring that the proceeds are claimed by the persons who are entitled to receive it, has been formulated encompassing the Comprehensive Model Operational Procedure issued by IBA, RBI guidelines on deceased depositor and RBI Master Circular on Customer Service dated 1 July 2015.

4. Policy

The Bank shall settle all claims in respect of deceased depositors and shall release payments to survivor(s) / nominee(s) within a period not exceeding 15 days from the date of receipt of the claim subject to the submission of all requisite claim documents to the Bank.

Where known through reliable sources that customer has deceased, bank will debit freeze such customer account even though there is no formal intimation from any of the claimant

Bank may not voluntarily intimate about such debit freeze to any one and would await claimant to approach the Bank and ensure that a seamless settlement is made to the rightful owner of deceased customer. This is to protect Bank customer's interest.

If the deceased account holder had appointed a nominee, intimation will be issued to the nominee informing him/her about the demise of the account holder.

1. Operation in the Account:

Further operation in the different types of account will be allowed as under: -

Branches should, therefore, not allow the surviving trustees to operate on.
- g) **Executor's and Administrator's Accounts:** On the death of an executor or administrator unless otherwise provided for in the Will or Probate or Letter of Administration, all the powers of the office bearers become vested in the surviving executors or administrators. In this regard, branches could consider adopting either of the following two approaches:

The branch could be authorized by the survivor(s) / nominee of a deceased account holder to open an account styled as 'Estate of Shri______, the Deceased' where all the pipeline flows in the name of the deceased account holder could be allowed to be credited, provided no withdrawals are made.

OR

The branch could be authorized by the survivor(s) / nominee to return the pipeline flows to the remitter with the remark "Account holder deceased" and to intimate the survivor(s) / nominee accordingly. The survivor(s) / nominee / legal heir(s) could then approach the remitter to effect payment through a negotiable instrument or through ECS transfer in the name of the appropriate beneficiary

Section 107 deals with presumption of continuance and Section 108 deals with presumption of death. As per the provisions of Section 108 of the said Act, presumption of death can be raised only after a lapse of seven years from the date of his/ her being reported missing. As such, nominee/ legal heirs have to raise an express presumption of death of the subscriber under Section 107/ 108 of the Indian Evidence Act before a competent court. If the court presumes that he/ she is dead, then the claim in respect of a missing person can be settled as is done for any other deceased accounts.

L. Settlement of claims where minor is a depositor:

In the case of an account opened on production of a guardianship certificate, the balance would be held at the disposal of the competent Court. The guardian shall not be allowed to draw on the account after notice of death of the minor.

In case of an account opened in the name of a guardian without production of guardianship certificate, the balance may be permitted to be withdrawn by the guardian

In the case of a joint account with the guardian, the balance will be held at the absolute disposal of the guardian. In each case, the minor's death certificate should be duly recorded

Reporting to Customer Service Committee of the Board:

A report will be placed before the Customer Service Committee of the Board, at appropriate intervals, on an ongoing basis, giving the details of the number of claims received pertaining to deceased depositors / locker-hirers / depositors of safe custody article accounts and those pending beyond the stipulated period, giving reasons therefore.

of nomination facility and ensures that the message reaches all the constituents by popularizing the nomination facility and survivorship clause.

The Bank's account opening form contains space for nomination so that the customers could be educated about availability of such facility.

Unless the customers prefer not to nominate (this is recorded without giving scope for conjecture of non-compliance), nomination is a rule, to cover all existing and new accounts.

The Banking Company (Nomination) Rules form part of the Banking Regulation Act. The nomination facility simplifies the procedure for settlement of claims of deceased depositors as the Bank shall get a valid discharge by making payment of the balance outstanding in a depositor's account at the time of his death or delivering contents of locker or articles kept in safe custody to the nominee.

It is to be made clear to the depositors/hirers that the nomination is introduced solely for the purpose of simplifying the procedure for settlement of claims of deceased depositors and nomination facility does not take away the rights of legal heirs on the estate of the deceased. The nominee shall be receiving the money/stock from the bank as a trustee of the legal heirs.

Nomination can be made in respect of all types of deposit accounts held jointly or singly including sole proprietorship accounts. However, nomination facility is not available for the following types of deposit accounts.

- a) Accounts held in the capacity of partnership firm
- b) Accounts of joint stock companies/associations/clubs and such other organizations
- c) Accounts held in the representative capacity e.g. as treasurer, as trustee, as liquidator, etc.
- d) Nomination facility is available for non-resident accounts also, i.e. for NRO, NRE, FCNR, RFC as well as the following types of accounts:
- e) Accounts opened by foreign nationals who are staying in India for pursuing studies, employment, business etc.
- f) Accounts opened by foreign nationals who are permanently resident in India.
- g) Accounts opened by foreign nationals who are on a temporary visit to India for tour purposes.

Nomination can be accepted either at the time of opening the account or at any time subsequently during the period in which the deposit is held by the Bank to the credit of the depositor.

If the depositor is a minor, the nomination shall be made by the natural guardian or the person who is lawfully entitled to act on behalf of the minor. When the minor attains majority a fresh nomination form or a consent letter is to be given by the depositor (erstwhile minor).

Nomination can be made in favor of one person only, and nomination in favour of more than one person is never accepted, even if deposit is held by two or more individuals jointly. Further a nominee cannot be an Association, Society, Trustee or any other organization or Office bearer in his official capacity.

A minor can also be appointed as a nominee. In such cases, the depositor may appoint another individual, not being a minor, to receive the amount of deposit on behalf of the nominee in the event of death of the depositor(s) during the minority of the nominee

8. Rights of a Nominee:

The Bank shall follow Banking Company (Nomination) Rules wherever applicable. As per the Banking Company (Nomination) Rules, on the death of the sole depositor or all the depositors as the case may be, the nominee shall be entitled to the following rights:

- The nominee shall be entitled to receive the principal money along with accrued interest on account of the deposit in respect of which he is nominated.
- The nominee shall not be entitled to receive the periodical interest during the currency of deposit. However, on maturity of the deposit, the principal as well as accrued interest may be paid to the nominee at the time of settling the claim.
- The nominee shall be entitled to get the account closed prematurely, subject to identification and other procedures. Wherever nominee has to sign, the word "Nominee" is added beneath his signature to indicate the capacity in which he is claiming.
- The nominee shall not be entitled to raise loan on the security of deposit. Illiterate persons can also be appointed as a nominee.

9. Nomination Rules in Respect of Safe Deposit Lockers and Safe Custody Articles:

i) Only the locker hirer/depositor of safe custody article can make nomination. The facility is available to lockers held in individual capacity either singly or jointly. The lockers hired in representative capacity such as Trustee, Liquidator or in the name of Companies, Associations etc. are not eligible for this facility. O. Missing Person

APPLICABILITY OF SECTION 108 OF INDIAN EVIDENCE ACT:

The section 108 of the Indian Evidence Act, 1872 says that if it is proved that person has not been heard of for seven years by such of those persons who would naturally have heard of him if he was alive, then the burden of providing that he is alive is shifted to the person who asserts it. Thus, under section 108, there is a presumption of death, once it is proved that the person was not heard of for seven years. Such a presumption is available to the Court in a suit for declaration and if the court presumes that he/she is dead, then the claim in respect of a missing person can be settled on the basis of the certificate from the court.

SETTLEMENT OF CLAIMS:

A. Settlement of claims where a person is missing since last -7-(Seven) years & more and where certificate from court is produced.

In a situation where an individual has been missing for 7 years or more and if the nominee/legal heirs/claimants produce the declaration of the Court that such an individual is presumed to be dead (civil death) then, such person's account can be treated in the same way as of the account of a deceased

The Administrative Powers in respect of payment of balance in the account of the deceased customer to the nominee/legal heirs/claimants may be exercised by the different authorities in these cases also.

B. Settlement of claims where a person is missing since last 7 years and more where certificate from court is not produced.

In the cases when the credit balance in the account of missing persons is not large, the claimants may find it expensive and cumbersome to obtain order from the Court. In order to avoid hardship and cost involved to the claimants in approaching the court for settling small claims in respect of missing persons, the RBI advised banks to put a threshold limit for settlement of claims without insisting for submission of certificate from the Court. The bank has fixed up a threshold limit of Rs. 1.00 lac for this purpose.

The Bank in such cases shall settle the claims on production of the following documents:

- i) FIR with the Police.
- ii) The non-traceable report issued by Police Authorities.
- iii) Letter of indemnity along with two sureties for the value of the amount released.

In settling the claims on the basis of FIR, the following points should also be considered:

- i) FIR should have been lodged with the police without any delay when the person was found missing and the police should have put up a non-traceable report that the individual has not been traced after all efforts have been made by the police.
- ii) FIR should have been filed only by those persons who would naturally have heard of him.
- iii) FIR should be lodged with the concerned police station at a place where the person was found to be missing or in his permanent residence or at a place he was residing for the last one year.
- iv) The date of disappearance of the person will be reckoned from the date of First Information Report with the police.
- v) Apart from above, the following points are also required to be considered:
 - a. The authority for authorizing such claims are also required to be considered.
 - b. The credit balance in the account including accrued interest upto the date of submission of application for settlement of claim submitted to the branch to be considered for arriving at threshold limit of Rs. 1.00 lacs. However, interest upto the date of settlement of claim is to be given to the claimant. In case, the balance amount together with interest on the date of submission of application comes more than Rs1.00 lacs then the claimant has to produce certificate from the competent Court for settlement of the claim.
